

## NEM 2010 wants **YOU!**

NATIONAL ENGINEERING MONTH (NEM)  
Ontario 2010 Dates  
**February 27 to March 7**

NEM 2010 is seeking approximately 300 engineering and technology volunteers in the following regions:

**Greater Toronto Area • Sudbury • London • Kitchener**

### K'NEX Workshops

#### Bridge Building Competition

Volunteers will help children age six and up translate their imaginations into reality by creating wonderful structures using K'NEX, the popular colour-coded building toy, at science centres or children's museums in Kitchener, London, Sudbury and Toronto.

More than 7000 enthusiastic kids and parents participated in K'NEX construction workshops across Ontario last year! Don't miss the fun this year, sign up today!

engineers without borders  
ingénieurs sans frontières  
Canada

### Engineers Without Borders (EWB)

#### "Water for the World" Workshop

Toronto area engineering volunteers are also needed for the popular Engineers Without Borders (EWB) "Water for the World" interactive workshop on weekdays during Engineering Month Ontario (March 1 to 4). Workshops will take place at Toronto Public Libraries (TPL) in the Greater Toronto Area.

## Volunteer for NEM...

**...to inspire young minds to seek creative engineering and technical solutions to solve our most pressing issues and enrich our daily lives... and have a blast doing it!**

## How to Volunteer for NEM 2010!

1. Visit us online at [www.engineeringmonth.on.ca](http://www.engineeringmonth.on.ca)
2. Click on Volunteer Opportunities to fill out an online volunteer form.
3. Go tell your friends to do the same!
